

Where can I get tested?

COVID-19 Rapid Testing Options in Logan County

At-Home Rapid Test Kits:

As of January 12, 2022, the Ohio Department of Health is pausing test kit shipments to Health Departments and Libraries. At this time, the state is prioritizing their supply of test kits for schools (K-12 and higher education).

~~Logan County Health District – 937-592-9040, ex 8~~

- ~~• Tests are given at the walk-up window to the left of the main entrance~~
 - ~~○ Please do not enter the building~~
- ~~• Open from 8:30 a.m. – 4 p.m.~~

*At-Home test kits
may be available from drugstores
& grocery pharmacies.*

Please call the store to confirm.

*At-Home test kits are no longer given
at Mary Rutan Urgent Care.*
